MISSION COVERAGE SUMMARY

Mission C 6045
1 November 1959

Summary of Coverage

Mission C 6045, flown 1 November 1959, covered the south portion of the Kurile Islands, Russian-occupied since World War II, lying northeast of eastern Hokkaido, Japan. Portions of Kunashir and Iturup Islands were covered from a great horizontal distance, and six smaller islands lying southeast of Kunashir were covered in oblique photography.

Quality

Quality of target image for PI ranges from fair to very poor. All of the targets are on oblique views; some are extremely far out.

Categories

Information is listed by categories, as shown in the Table of Contents. Arrangement within categories is as follows: Airfields and Urban Areas--alphabetically by name; other categories-- by (1) WAC number and (2) degree square.

Coordinates

Reference to each item by a single pair of coordinates is a matter of convenience in data recall. The coordinates used are those of the southwest corner of the one-minute square in which the item occurs. In referring to certain targets, such as roads, the coordinates of the approximate midpoint are listed in the heading and additional coordinates may be cited in the description.
